
APPLICATION FOR REASONABLE ACCOMMODATION

It is the policy of Jefferson Parish (the "Parish"), pursuant to the federal Fair Housing Amendments Act of 1988 and applicable state laws, to provide individuals with disabilities reasonable accommodation in the Parish's zoning and land use regulations, rules, policies and practices to ensure equal access to housing and to facilitate the development of housing for individuals with disabilities. Reasonable accommodations in the zoning and land use context means providing individuals with disabilities, or developers of housing for people with disabilities, flexibility in the application of land use, zoning and building regulations, policies, practices and procedures, or even waiving certain requirements, when it is necessary to eliminate barriers to housing opportunities.

The Parish Attorney's Office will submit the application to the Land Use Review Technical Committee (LURTC) for review. The written decision to grant, grant with modifications or conditions, or deny a request for reasonable accommodation shall be consistent with applicable fair housing laws and based upon the following factors:

1. Whether the housing that is the subject of the request for reasonable accommodation will be used by an individual with a disability protected under the applicable fair housing laws.
2. Whether the requested accommodation is necessary to make housing available to an individual with disabilities protected under the applicable fair housing laws.
3. Whether the requested accommodation would impose an undue financial or administrative burden on Jefferson Parish.
4. Whether the requested accommodation would require a fundamental alteration in the nature of Jefferson Parish's land use and zoning or building program.
5. Whether the requested accommodation would, under the specific facts of the case, result in a threat to the health or safety of other individuals or substantially damage the property of others.

The Parish may approve alternative reasonable accommodations that provide an equivalent level of benefit to the applicant with respect to (a) enabling the individual(s) with the disability to use and enjoy the dwelling, or (b) making the development of housing for individuals with disabilities financially or practically feasible.

A. Factors for Consideration – Necessity. The Parish may consider, but is not limited to, the following factors in determining whether the requested accommodation is necessary to provide one or more individuals with a disability an equal opportunity to use and enjoy a dwelling:

1. Whether the requested accommodation will affirmatively enhance the quality of life of one or more individuals with a disability.
2. Whether the individual(s) with a disability will be denied an equal opportunity to enjoy the housing type of their choice absent the accommodation.
3. In the case of developers or providers of housing for individuals with disabilities, whether the requested accommodation is necessary to make a facility or facilities of a similar nature or operation economically viable in light of the relevant market and market participants.
4. In the case of developers or providers of housing for individuals with disabilities, whether the existing supply of facilities of a similar nature and operation in the community is sufficient to provide individual(s) with a disability an equal opportunity to live in a residential setting.

B. Factors for Consideration – Fundamental Alteration/Reasonableness. The Parish may consider, but is not limited to, the following factors in determining whether the requested accommodation would require a fundamental alteration in the nature of Jefferson Parish's built environment:

1. Whether the requested accommodation would fundamentally alter the character of a neighborhood.
2. Whether the accommodation would result in a substantial increase in traffic or insufficient parking.
3. Whether granting the requested accommodation would substantially undermine any express purpose of the Jefferson Parish Comprehensive Plan.
4. In the case of a developer or provider of housing for individuals with disabilities, whether the requested accommodation would create an institutionalized environment due to the number of, and distance between, facilities that are similar in nature or operation.
