

JEFFERSON PARISH DIVERSITY & INCLUSION BOARD POSTER DECEMBER 2021

JEFFERSON PARISH
DIVERSITY AND INCLUSION BOARD

Lafrenier Park, Jefferson Parish
35th Anniversary

This year marks the 35th anniversary of Christmas in the Park. Constructed with over 10 million LED lights along with elaborate decorations, artificial snow and festive lighted displays, it's a wonderful way to celebrate the magic of the season in Jefferson Parish.

Jefferson Parish's own winter wonderland got a boost in 2009 when the family of Al Copeland donated part of his light display for viewing and all to enjoy for years to come.

Themes include Star Wars, Marvel & D.C. Comics, Minions, Disney Princesses, a pirate ship, and so much more. At Santa's Express Mail Center, children are able to view Santa's elves building toys for all the good little girls and boys. Attendees can also enjoy an interactive walking tour set to random scenes from Star Wars, Peanuts, and other favorite classics. There will be special appearances from Santa, Rudolph, Frosty and the Grinch on Friday, Saturday and Sunday nights.

We hope it brings joy and creates family traditions for all who pass through Lafreniere Park every Christmas season.
