Re: Jefferson Parish Water / Sewer Rate Adjustments

The Elmwood Business Association Board annual board meeting on July 13th included discussion on the proposed rate adjustments to the sewer and water rates in Jefferson Parish. We collectively support Parish President Cynthia Lee Sheng's proposal of the rate increase and commend her efforts tending to our aging system. If you should have any questions, we can be reached via phone at 504-733-8900 or via email at elmwoodba@gmail.com. Thank you for your attention in this matter.

Sincerely,

Adair Dixon & Barclay Steib
