

DEPARTMENT OF THE TREASURY
WASHINGTON, D.C.

August 17, 2017

Mr. Michael S. Yenni
Parish President
Jefferson Parish
1221 Elmwood Park Blvd., Suite 1002
Harahan, LA 70123

Dear Mr. Yenni:

We have reviewed the Multiyear Implementation Plan (Multiyear Plan) from Jefferson Parish submitted on February 3, 2017 and deemed complete on August 14, 2017. We find that the Jefferson Parish Multiyear Plan is complete and appears to conform to the RESTORE Act and regulations. As of the date of this letter, Treasury accepts Jefferson Parish's Multiyear Plan, which includes one project for \$3,078,326.03 of the funds available in Jefferson Parish's allocation in the Gulf Coast Restoration Trust Fund (Trust Fund). The Parish can begin to submit applications through GrantSolutions.gov for Direct Component funding to support the activities included in the accepted Multiyear Plan. We encourage you to refer to the Direct Component Funding Opportunity Announcements and Standard and Program-Specific Terms and Conditions on Treasury's RESTORE Act website at <http://www.treasury.gov/services/restore-act/> as you prepare a grant application.

We will post all accepted Multiyear Plans on Treasury's RESTORE Act website. In addition, please post the Multiyear Plan on your Parish website and provide us with the web address so we can include the link on the Treasury RESTORE Act website.

Treasury's acceptance of this Multiyear Plan is not a final determination of the eligibility of activities, projects, and programs for Direct Component funding and does not bind Treasury to obligate funds from the Trust Fund. The Parish must submit applications for Direct Component funding separately through GrantSolutions.gov. Treasury will review these applications to determine if the requested funding complies with the RESTORE Act and regulations, and Federal law and policies on grants. Applicants may submit applications only to seek funds already available for distribution from the Trust Fund, in accordance with allocations established under the statute. In the future, whenever there is a material change in the Multiyear Plan, Jefferson Parish must follow the requirements for an initial Multiyear Plan, including those for public review and comment.

We look forward to working with you. Please send any questions to restoreact@treasury.gov.

Sincerely,

Laurie McGilvray
Program Director
Office of Gulf Coast Restoration
