It is important that you enter information for an assistant captain.

I have enclosed/attached a check, cash or money order **in the amount of \$500 (which is the total entry fee)**. I understand this covers a league fee of \$360, a \$90 non-refundable insurance fee and \$50 for one dozen softballs. If my team forfeits a game, I will remit a \$76 forfeit fee to JPRD to remain in the playoffs and to return as a team in future JPRD leagues. This registration form and the total entry fee of \$500 are due at the captains meeting. If not, I will forfeit my position in the Adult Softball League.
