*It is important that you enter information for an assistant captain.*

I have enclosed/attached a check (or cash) for \$160 which I understand is the league entry fee. Also, I will add to that check (or cash) **\$5.00 per person on my roster** x the number of participants on my roster for insurance fees and submit it to the main office at the team captains meeting. **(entrance fee and insurance fee should be in one check or cash)**. I understand the check/cash for the insurance fee is non-refundable and that I may have a maximum of 15 participants on my roster. If my team forfeits a match, I will remit a \$24 forfeit fee to JPRD to remain in the league/playoffs and to return as a team in future JPRD leagues. I understand that if this form, roster and money are not turned in at the JPRD Main Office at the captains' meeting, **I will forfeit my position in the Adult Volleyball League.**
