## Consolidated Road Lighting **MILLAGE RENEWAL**

**THIS 3 MIL PROPERTY TAX RENEWAL IS NOT A NEW TAX.  
IT HAS BEEN IN PLACE FOR MORE THAN 30 YEARS**

Every time you get behind the wheel of your car at night, you rely on a well maintained road lighting system to provide a safe driving experience. Now, you will decide whether or not to continue funding this essential system.

### **Purpose of Millage Renewal:**

The millage, **not to exceed 3 mills**, is the sole source of revenue to power and properly maintain roughly **60,000 street lights** in Unincorporated Jefferson Parish and the Town of Jean Lafitte.

### **Cost for Taxpayers**

If you own a home valued at \$200,000, and you have a Homestead Exemption on your residence, you would continue paying **\$37.50 a year**, which is only **\$3.13 per month**.
