

## **PUBLIC NOTICE**

The Parish of Jefferson is hereby soliciting Statements of Qualifications (Jefferson Parish Technical Evaluation Committee (TEC) Professional Services Questionnaire) from persons or firms interested in being placed on a Supplemental List to provide routine engineering services for **Streets Projects** in Jefferson Parish. Routine engineering services are for contracts where the total engineering fee, exclusive of resident inspection services, will not exceed \$300,000.00 per assignment. Firms deemed qualified for this work shall be eligible for award of routine water contracts for the remainder of the two-year period which began on February 12, 2020.

(Res. No. 136160) (Deadline Date: 8/28/2020)

The forty-five (45) persons or firms currently on the Water list approved by Council Resolution No. 135192, dated February 12, 2020 should not respond to this advertisement, which is for the sole purpose of creating a Supplemental List of persons or firms qualified to provide routine engineering services for Streets Projects in Jefferson Parish.

The following criteria will be used to evaluate the statement of the firms submitting:

- 1) Professional training and experience in relation to the type of work required for the routine engineering services - 35 points;
- 2) Capacity for timely completion of newly assigned work, considering the factors of type of routine engineering task, current unfinished workload, and person or firm's available professional and support personnel - 20 points;
- 3) Location of the principal office where work will be performed - 15 points (Preference shall be given to persons or firms with a principal business office at which the work will be performed as follows: (A) Jefferson Parish, including municipalities located within Jefferson Parish (15 Points); (B) Neighboring Parishes of the Greater New Orleans Metropolitan Region, which includes Orleans, Plaquemines, St. Bernard, St. Charles and St. Tammany Parishes (12 Points); (C) Parishes other than the foregoing (10 Points); (D) Outside the State of Louisiana (6 Points).);
- 4) Adversarial legal proceedings between the Parish and the person or firm performing professional services, in which the Parish prevailed or any ongoing adversarial legal

proceedings between the Parish and the person or firm performing professional services excluding those instances or cases where the person or firm was added as an indispensable party, or where the person or firm participated in or assisted the public entity in prosecution of its claim - 15 points (In the event that the person or firm fails to provide accurate and detailed information regarding legal proceedings with the Parish, including the absence of legal proceedings, the person or firm shall be deemed unresponsive with regard to this category, and zero (0) points shall be awarded.);

- 5) Prior successful completion of projects of the type and nature of routine engineering services, as defined, for which firm has provided verifiable references - 15 points;
- 6) Size of firm, considering the number of professional and support personnel required to perform the type of routine engineering tasks, including project evaluation, project design, drafting of technical plans, development of technical specifications and construction administration – 10 points;
- 7) Past Performance by person or firm on Parish contracts - 10 points (Assertions of fault by a person or firm, which shall include time delays, cost over-runs, and or design inadequacies in prior work completed for the Parish shall be evidenced by substantiating documentation provided by the Director of Public Works for the requesting department or the Director of Engineering and received by the Chairman of the Evaluation Committee a minimum of two (2) weeks prior to the scheduled date of the Technical Evaluation Committee Meeting.).

The person or firm submitting a Statement of Qualifications shall have the following minimum qualifications:

1. one principal who is a professional civil engineer who shall be registered as such in Louisiana
2. a professional in charge of the project who is a professional civil engineer who shall be registered as such in Louisiana with a minimum of five (5) years-experience in the disciplines involved
3. one employee who is a professional civil engineer registered as such in Louisiana in the field or fields of expertise required for the project (A sub-consultant may meet the requirement only if the advertised project involves more than one discipline.)

With regard to the questionnaire, **Principal** means the sole proprietor of the firm, or one who shares an ownership interest with other persons in the firm, including but not limited to, a partner in a partnership, a shareholder in a corporation, or a member of a limited liability corporation.

The estimated fees for this work may vary among different assignments; however, no individual assignment can have a fee exceeding \$300,000.00, exclusive of resident inspection services. There is no limit to the number of assignments that can be awarded to a person or firm.
