Preserving a legacy of care and investing in the future ...

 In the late 1960s, Jefferson Parish leaders saw need for a hospital in the East Bank of Jefferson Parish

 Officials broke ground **November 1965** on 20 acres of land that would become East Jefferson General Hospital

 **February 14, 1971** the hospital opened with 250 beds and 250 physicians

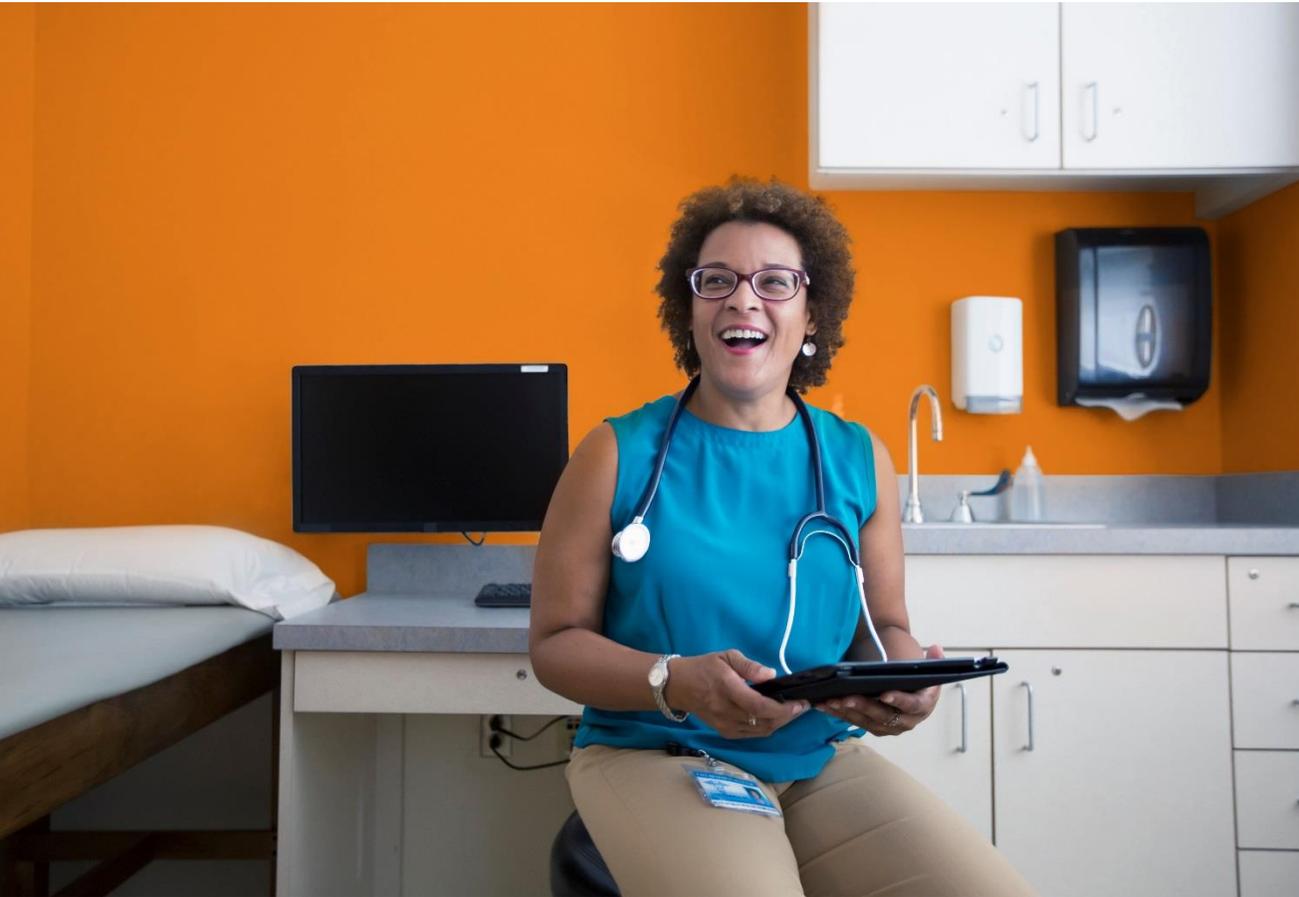

LCMC Health will invest **\$100M** over 5 years

... ensures a **healthy future**
for Jefferson Parish and the region

What does this mean for LCMC Health and EJGH Communities?

Patients continue seeing EJGH care teams and physicians

Continuation of shared not-for-profit mission

EJGH's talented team will have access to LCMC Health opportunities

Preserves a patient's ability to choose their healthcare in Jefferson Parish

About the agreement

LCMC Health will pay up to \$205 million

- \$90 million guaranteed for EJGH
- \$15 million performance based payments
- a commitment to invest **\$100 million** over the next 5 years

This agreement will allow Jefferson Parish to satisfy the debt and pension obligations

LCMC Health will acquire EJGH's real estate holdings as part of the transaction

Together, let's build something extraordinary!
