

Jefferson Parish

RLAA Annual Progress Report

Mitigation Action	Description	Status Update 2022
Action 1	Property owners maintain flood insurance	The Parish sent out mailer to RL areas reminding property owners to get and maintain flood insurance.
Action 2	Property owners consider floodproofing measures	The Parish sent out mailer to RL areas reminding property owners to consider floodproofing options when appropriate.
Action 3	Mitigation of high-risk flood-prone properties	Since the time the RLAA Report was adopted in 2018, 255 RL properties were mitigated in unincorporated Jefferson Parish. The following is a breakdown of those located in the RL areas: RL Area 1 = 47 structures mitigated; RL Area 2 = 6 structures mitigated; RL Area 3 = no mitigation action; RL Area 4 = 2 structure mitigated; RL Area 5 = no mitigation action
Action 4	Capital Improvement (Drainage) Projects in basins containing RL Areas	Lake Cataouatche 1 pump station relocation started, engine replacements at Suburban pump station underway, electrical system being replaced at Hero pump station. New Canal A being excavated between Leo Kerner Parkway and Pipeline Canal.
Action 5	Encourage property owners to elevate mechanical equipment above BFE and install flood-resistant materials in crawl spaces	Per adopted Ordinance, this is required for all new construction and substantial improvement.
